ROLINE High Power PoE Splitter, 30W

ROLINE Splitter High Power PoE , 30W

ROLINE High Power PoE Splitter, 30W

Item no.: 21.13.1172

## ROLINE Industrial High Power PoE + Splitter, black

### Features:

- Enable PoE incapable network device with PoE capability
- IEEE 802.3at and 802.3af compliance
- Support 10BASE-T,100BASE-TX,and 1000BASE-T
- Support Alternative A or Alternative B PoE input over Cat.5
- Provide a power class selection DIP for demanding power from PSE
- Support Type 1 PSE Classification and Type 2 PSE 2-event classification
- Regulated DC power output with four optional voltages
- Flexible mounting support , light weight and compact
- Operating temperature: -30°C to 70°C
- Storage temperature: -30°C to 85°C
- Relative Humidity: 10% to 90 % RH (non-condensing)

### Application:
