**ROLINE Gigabit Ethernet PoE Injektor, 4 Ports,**

**ROLINE Injecteur PoE Gigabit Ethernet, 4 ports,**

**ROLINE PoE Gigabit Injector, 4 Ports,**

Item no.: 21.13.1198

ROLINE Mini POE Injector, 120W, 4 Pair-Ports, black

## Features:

- 4x 10/100/1000BaseT Data-In Ports + 4x 10/100/1000BaseT Data and Power-Out Ports
- Fully IEEE802.3at compliant PSE operation
- Dual Power Source (External AC to DC Adaptor or Terminal Block)
- Auto-detection of PD (powered devices)
- Supplies up to 30 Watts per port, maximum power output of 120 Watts
- No user settings
- Operating temperature: -20 ~ 70 °C
- Storage temperature: -40 ~ 85 °C
- Humidity: 10 to 90% RH (non-condensing)
- Mounting: magnetic mount
- Material of casing: metal
- Colour of casing: black
- MTBF (estimated): >500,000 hours

## Application:
